

Understanding the World

As World Understanders we will be

- Talking about special times for families including Chinese New Year, Mothers Day and Easter.
- Investigate the moon and what we would take if we were baby bear.
- Ask questions about where we live and who is in our family.
- Discuss how we can use technology to create our own pictures.

Mathematics

As Mathematicians we will be

- Collecting and measuring objects in terms of weight, width and length
- Creating 2D/3D shape rockets.
- Learning to recognize and attempt to form numbers 1-10.
- Solving puzzles and problems that we discover on our adventures.

Physical Development

As Movers and Handlers we will be learning to

- Explore different ways to move like different animals during our soft play sessions.
- Use scissors effectively and safely to cut around a shape and along a line.
- Begin to form letter shapes during squiggle whilst you wiggle sessions.

As Self-Carers we will be learning to

- Wash our hands correctly and know why it is important.
- Put on our own coats ready for outside.
- Look after our teeth when talking about bedtime routine.

Read all about it!

Nursery Spring 2019

Literacy/ Communication and Language

As Readers we will be learning to

- Look for familiar letters in stories we read.
- Recognize letters in the environment around us.

As Writers we will be learning to

- Practice writing our name daily on pictures and crafts.
- Work on our pencil grip in our finger gym.

As Speakers we will be learning to

- Talk to other children and adults about ourselves and our families.
- Use talk as part of play in the various role plays in Nursery

As Understanders we will be learning to

- Answer questions and talk about other ideas.

As Listeners we will be learning to

- Take turns during carpet and circle time.
- Follow instructions

Expressive Arts and Design

As Artists we will be learning to

- Use our imagination to role play stories and games with our friends.
- Use textured materials to create different animals that come out at night.
- Create characters, homes and animals with play dough and boxes.
- Paint and create pictures of ourselves and our family.
- Learn a range of new songs.

Personal, Social & Emotional

As Individuals we will be learning to

- Play nicely with one another and learn how to make friends.
- Try new things and become more confident in our activities.
- Take turns and share.
- Understand how to behave to learn.

You can help at home by:

- Spotting and talking about numbers that we see in the environment and counting the things that I play with.
- Practice recognizing and writing my name.
- Using similar directions to those at nursery when developing Personal and social skills.
